

# SIMPLY VERTICAL PLANTER TRAYS

## *Planter Trays — Unplanted*

Trays for this 50-square-foot wall install in approximately one hour

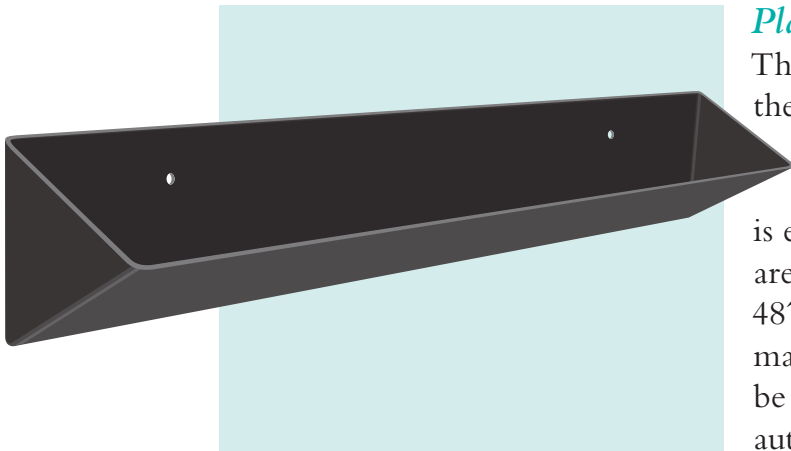

## *Planter Trays — Planted*

Wicked plants install in less than one hour.

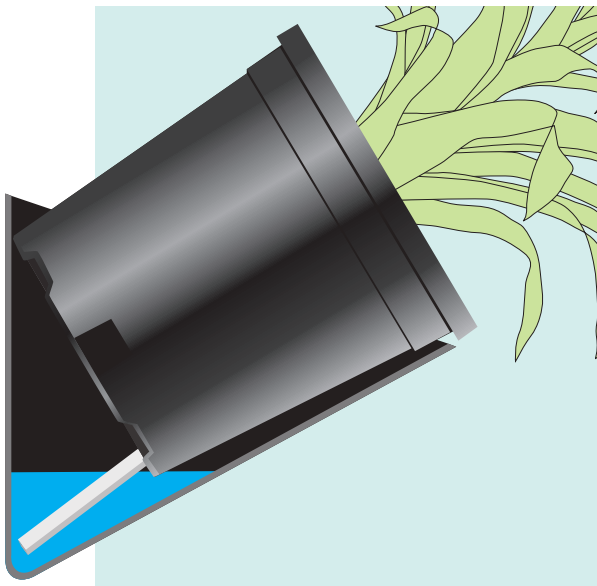

# SIMPLY VERTICAL PLANTER TRAYS

## Planter Tray

The essence of the Simply Vertical system is the Planter Tray. Designed for mounting to metal frames or directly to the wall, the tray holds virtually any 6" grow pot and is easily planted and replanted. Planter Trays are available in three sizes — 24"L, 36"L, and 48"L — allowing the creation of walls of many different dimensions. The trays can also be retrofitted with drains to allow for semi-automatic or automatic watering.

## Wicked Grow Pot in Tray with Water

Wicks have long been a successful method for extending watering cycles in commercial environments. By applying wick technology to a tilted grow pot, watering cycles of 10 days to 4 weeks can be achieved. Simply add the specified amount of water to each tray and allow the tray to go empty for a few days before watering again.

| Model Number | Description                      | Number of Trays/Shelves | Til Number of 6" Plants | Total Amount of Water Per Unit | Approximate Weight (lbs.) Fully Planted/Watered | Approximate Coverage When Planted* (Square Feet) | Distance (Inches) Coming Off Wall |          |
|--------------|----------------------------------|-------------------------|-------------------------|--------------------------------|---|--|-----------------------------------|----------|
|              |                                  |                         |                         |                                |   |  | Unplanted                         | Planted* |
| PT-24        | Planter Tray 24" L for 6" Plants | 1                       | 2-3                     | 1.5 to 2 qts.                  | 12 to 16 lbs.                                   | 1.25 to 1.5                                      | 8.5                               | 12-24    |
| PT-36        | Planter Tray 36" L for 6" Plants | 1                       | 4-5                     | 2 to 2.5 qts.                  | 20 to 25 lbs.                                   | 2 to 2.5   | 8.5                               | 12-24    |
| PT-48        | Planter Tray 48" L for 6" Plants | 1                       | 5-7                     | 3-4 qts.                       | 28 to 35 lbs.                                   | 2.5 to 3   | 8.5                               | 12-24    |
