You design, and you build with our loose moss products.

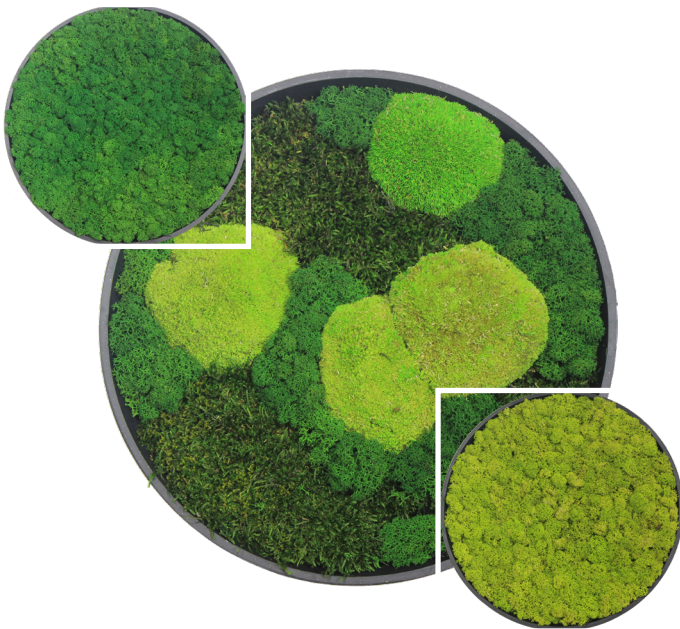

# Pre-Made

## Moss Walls - Ready to Ship!

Looking for an easy and economical way to design a moss wall? At ASI, we have multiple pre-made moss wall products that allow you to effortlessly transform any space into a stunning oasis of greenery. Use our panels to create a large wall of seamless moss or mount in our BioMontage frames and combine with other natural products for a more varied biophilic design. Room divider options available as well.

All moss wall products are quick ship, allowing you to transform your client's space without any delay.

**Moss Circles**

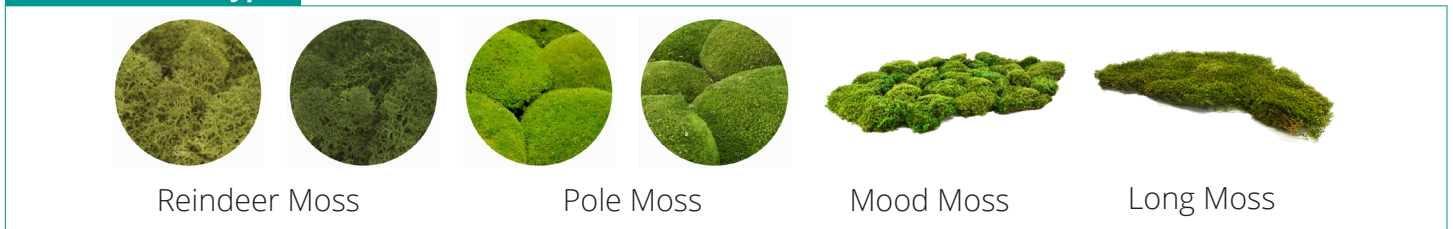

**BioMontage Room Dividers**

# Custom Moss

Our custom moss walls are composed of any number and combination of our available grade A moss to create your custom moss wall design.

## Available Moss types

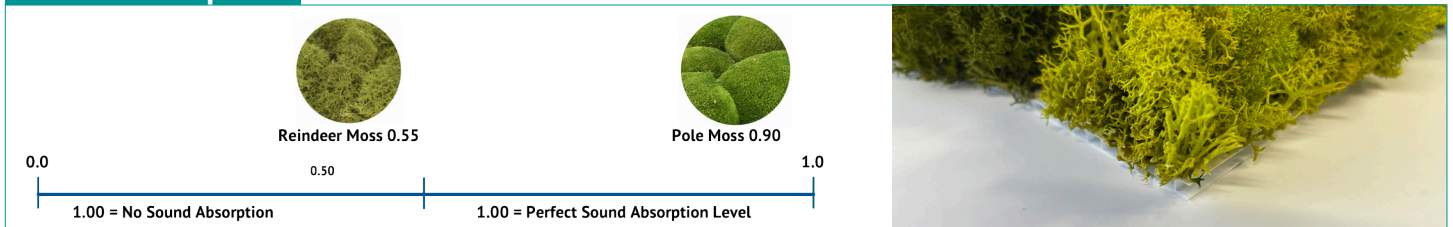

Reindeer Moss

Pole Moss

Mood Moss

Long Moss

## Sound Absorption

## Naturally Fire Retardant

According to NF P 92-501 laboratory fire testing, our Reindeer moss, is not flammable. Test results are available on our website.

## Backing

Our custom moss panels use a coroplast backing and have no edge finish. Other backing and frame options are available.

## DIY / Loose

We keep large quantities of several popular moss types in inventory for quick shipping. Please find the available moss types listed below.
